Board of Trade Meet

Agricultural Fair—Early Closing Memorial Hall—Roads, etc.

Strathmore Board of Trade got away to a good start for the year 1920 with a meeting held in the King Edward Dining Room on Monday evening.

The meeting was presided by a fine served by a number of local young ladies. There was an attendance of about sixty, including most of the business men in the town, and also a number of farmers. The success of the meeting was such that it was decided to make it a monthly function, to be held in the same form as on Monday night.

President H. Dolson occupied the chair.

Agricultural Fair

The first question to be taken up was that of an Agricultural Fair. The President said that the matter had been discussed at their former meeting, but it was decided to hold it over till this meeting.

Mr. M. E. Stry, the first speaker, said he was heartily in favor of an Agricultural Fair. He was pleased to see the farmers and housewives getting together, and thought it a laudable aim for the future. He suggested that the Board take the initiative and lay the matter before the United Farmers.

Messrs. F. T. McElhose, Rev. T. Phillips, Oscar Miller, R. S. Stronach, J. H. Brand, and several others, spoke in favor, and finally it was agreed to appoint a committee to take the matter up and report at the next meeting.

The following were appointed as a committee:

Messrs. J. H. Brand, J. Van Tien, F. T. McElhose, M. E. Stry, E. Dolson, R. S. Stronach, Agents Watson, and E. V. Todd.

The Memorial Hall

Rev. (Capt.) Henry Montgomery, 1st Vice-President of the G.W.A.A., said that he did not want them to think that the project of the Memorial Hall was dead. The reason that there had not been much activity lately was that the weather had been so bad that it was impossible to do much anything, but they hoped for good weather in a short time, when they would be able to go ahead and complete the project. He spoke eloquently of the need for such a hall.

Continued on back page.

Mild Flu Epidemic

Flu has again broken out on Alberta, though in a somewhat milder form than last winter. Several hundred cases have developed in Calgary, with a number of deaths.

A number of cases have also reported between Strathmore and Carleton Place. There has been one death in what is known as the Jay Colony, at Lyall, northeast of town. T. Roby, a local resident, employed by K. Myasalla, having succumbed.

The disease is serious in and around Strathmore, thirty cases, with four deaths, having been reported over the phone on Monday.

The disease is serious in and around Strathmore, thirty cases, with four deaths, having been reported over the phone on Monday.

In an interview with Dr. Givens, he stated that the worst of cases were very bad, and that it is one way the doctor is very much handicapped. The road south to Carleton and along the river from Carleton to its end slope for a car, but the Government road west from Strathmore to Carleton is impassable now, and is a great hindrance in conducting the flu.

Practically all the cases are people who did not have the disease last year, and so far there had been no cases of typical flu among last year's victims.

The doctor advises that people stay in their homes for the next few weeks, and not have any visitors or go visiting. While no cases have appeared in the town of Strathmore so far, there are quite a number at Carleton and Delroy, and also at Stabland.

In view of the possibilities of this disease becoming epidemic in the province, the provincial board of health has from time to time since early in November last circulated the various local health officials throughout the province on this question.

According to advice from time to time received by this department, either directly from Chicago, New York and other American cities, or indirectly through the Dominion health authorities at Ottawa, the

disease would appear to be of a mild type, from which, if the individual at fault exercised reasonable care, the results are not serious. Pneumonia and other complications are usually the result of lack of care and thoughtlessness.

There is no reason for alarm or panic. The plan that is that if each individual will accept his responsibility and exercise reasonable care, we will get better results. If the disease becomes epidemic, then by relying too much upon the aid that may be received, or that can possibly be received from, or rendered by, the ordinary public health services.

There is merit in the standing aid.

Chancellor Doings

A. Farley has recently sold his Titan 1920, and is now negotiating the purchase of a larger tractor in Calgary.

A Hansen's groceries has been purchased by the Church Ranch. Ted Hall, whose condition we reported is serious, was conveyed to Calgary hospital via Clinch on Friday last, and we look for speedy recovery.

It is the intention of F. Wheatley and J. Farley to outfit a vehicle suitable for taking the Chancelors "en masse" to the next Standard dance.

A successful and enjoyable Whist Drive was held at the home of Mr. and Mrs. F. Law's in Chancelor on Wednesday evening, 28th January. Mrs. J. Dickson was successful in winning the ladies prize, and Perry Owen, the gentlemen.

The Sunny Range School has been open the full month of January in spite of the severe weather. Lucille Cook being the only pupil with an unbroken attendance record.

The attendance roll for the month consisted of 28.

The average attendance 16.75

Percentage of attendance 59.96

During the past week, a cold in very poor condition has been staying in the neighborhood of Chancelor. Its condition is such that when down it is almost too weak to get up and unless soon claimed, will undoubtedly die.

January Examinations

The results of the January examinations in the Strathmore High School and grades 7 and 8 are given below. The names appear in the order of merit.

Grade XII.
Elton Holmes, below 50 per cent.
Grade XI.
HARRY BAKER
Gladys Walter 69.5
61.6
Grade X.
Hazel Sims 71.0
Mary Stockton 70.8
Phyllis Luck 62.6
Margaret Anderson 62.1
Mabel McElhose 52.5
Sandra Lambert 51.0
Stanley Mackay 50.8
Below 50 per cent.
Chancellor Chamberlain
Lester Jones
Robert Stockton.

Grade IX

82.0
Iva Lindmet 62.8
Cecil Brown 62.9
Irene Johnson 61.5
Therese Elford 54.0
Carl Lambert 53.5
Below 50 per cent.
Mabel Finckton
Waldo McElhose
Kathleen Cleaves
Edith Grey
Alma Downey

Grade VIII

71.8
Marjoline Miller 72.2
Iva Anderson 72.2
Frieda Schenkel 65.9
Joan Flegler 65.9
Ruth Kimberling 61.5
Carl Jones 56.0
Below 50 per cent.
Walter Boeris
Margaret Sims
Alex Gray
Harry Harwood

Grade VII

68.5
Kenneth Kimberling 68.5
Alice May 67.5
Gordon McElhose 61.0
Below 50 per cent.
Margaret Cohen sent 2 papers averaged 75 per cent.

Plane Fund

We have over \$250.00 subscribed and stored in the bank. We are asking every boy and girl in school for 50 cents this week. Help us make up the total this week. If you have been overlooked, just phone up the school between 2:00 and 4:00.

Nightingale

Address by Davis and U.G.G. Representative.

A good number of members turned out at the last U.P.A. meeting held on January 21st to hear addresses by Prof. Davis M.A. and Mr. R. A. Parker of the U.P.A. The President Mr. P. N. Waddy was in the chair and briefly introduced the gentlemen. Mr. Parker who is a director of the U.P.A. and a member of the Canadian Council of Agriculture gave a brief history of the U.P.A. and showed their connection with the U.P.A., stating that he had been identified with the former ever since its inception. He then went on to explain how the local U.P.A. chapter was organized and stated that the company had some thirty members and he hoped to see the company was only in position to build about eight or ten. The cost of building an elevator at present is \$15,000 compared with \$7,000 before the war. Mr. Parker invited questions and besides to say the opportunity was not passed up by our members to get all the information they could with regard to the wheat situation etc. Mr. Davis gave, as he said, an accounting of his stewardship. He mentioned several things which he considered he had been largely instrumental in having brought forward and put right. He also explained his position as why of the organization, stating that he had not relinquished any of his independence in joining with the Conservatives and

Non-partisans in the provincial house to form an opposition. He also stated he was a life member of the U.P.A. and did not agree with those who thought they should leave Provincial politics alone. Before adjourning the two gentlemen for their kindness in coming and addressing the meeting. Next meeting will be held on Saturday February 14th at 2 p.m.

Interesting Budget

OF NEWS FROM CRAIGLENTLE

We regret to hear that M. C. Hansen has undergone a serious operation in Calgary. His Cross Hospital. Very few knew till two days after he had been operated on that he was under the doctor's care. The latest news is that he is doing fine and will be out of the Hospital in a few days.

Lyall Kents and Harry Lavender, arrived here from R.C. last week where they had been engaged in herd sheep.

If J. B. Johnson makes as good a business man as he does a farmer he will make rapid progress in real estate. John has not missed a good crop in seven years. He certainly gets the worth of his 50 cents an acre war rent. He is also an expert irrigator and closed Latta, John, in your new venture.

By all accounts D. H. Elder is at present in a warmer climate than ours. We all hope that Donald will return much improved in health after his trip south.

Craigleantle District is missing missionary Anderson, since he left for Saskatchewan. It was the only bit of excitement the people had for some time, although there was not many converts to be not going to give up hope, and possible if all is well he will be back next summer. We hope he will get along well in the new province.

Robbie Burns said that toothache was the bane of all his diseases, and William Peterson thought so after walking the floor for a week. He found out that a neighboring farmer was an expert dentist, and lost no time in having the offending molar. In a couple of hours he was home laughing and chuckling. He was the greatest blessing on earth to have such a man in our midst.

Major Grant is on leave but the captain is at home.

Gov. Green and J. Myrtil came back from the farmers' convention much enlightened. The speeches they heard on different subjects were a great benefit to him.

The Long Beach Literary Society met at the school house on Saturday evening, January 10th. The programme was very well rendered, and interesting to the audience as well as the debate. The speakers who spoke on the question eventually handled it like old timers, and all goes to prove that there is talent in this vicinity which this society will surely help to develop.

The first edition of the Long Beach chronicle, edited by Mrs. West was both instructive and newsworthy.

The next issue will be edited by Miss Anne Anderson. Any news from the society members will be gladly accepted by the editor. The next meeting will be held in February 20th. The question for debate on that date will be—Resolved that Rural schools should be consolidated.

The speakers will be as follows: Affirmative—Hans Madsen, Mrs. West, Mrs. Gregory.

Negative—Mrs. Stagg, J. J. Peterson, Fred Bunker.

A box supper and dance will be given at the school house on Friday evening, February 12th, the proceeds will go towards paying for the piano which has not yet been paid for. A good attendance is desired. Ladies bring boxes and the men bring cash.

At the Literary Society meeting on Saturday evening, it was moved and carried that the officers elected temporarily a short time ago should act as permanent officers for the season.

Town Council

School Estimates and Other Matters Discussed

There was a full attendance of the council at last Tuesday's meeting. The Mayor presided. There were also a number of ratepayers present, including a deputa-

tion from the School Board.

Pound Fees

Councillor Saunders, who had been appointed a committee to interview the proprietor of the King Edward Livery Barn regarding using that place for a pound, said that he had come to an arrangement whereby Mr. Akerman was to stable the horses and cattle impounded at a rate of one per day. This was agreed to by the Council.

Strawstacks near Buildings.

By-law No. 25, preventing grain, hay or straw being kept within one hundred feet of any building in which a fire is kindled, unless it is a covered building, was passed. The details will be found in our advertising columns.

Seizure for Taxes

Mr. Weems, solicitor, reported that, with regard to the quarter section in the Town limits that was in arrears of taxes, the owner's share of the crop, \$300.00, was in the hands, awaiting Court decision.

The School Estimates

At last meeting the Council stated that they wished to meet the school Board to discuss the estimates for 1920. Trustees Stry and McDonald were present as representing the School Board, with Mr. Owen, Secretary Treasurer. The Mayor said that he was in favor of good schools but he was afraid that the ratepayers would not favor the continued increase of taxes, and wished it were possible to reduce the estimate somewhat.

Mr. Stry said that if the town and Municipality would petition the Government to help with additional grants for the children of the Municipality outside the town school it might do some good.

Mr. Liggett, school inspector was present and was asked to give his views. He stated that every town in his district had a high school, and that most of them were paying higher school taxes than in Strathmore. He explained the needfulness of the High School, and went through the work in the various grades. In conclusion, he said he hoped Strathmore would keep up the good work, but he could not hold out any hope of additional grant or exemption assistance this year, as their plans were not fully completed.

After some further discussion, the meeting adjourned.

Redlands to Have a Station Agent

In a judgment handed out by Chief Commissioner Givens of the Railway Commission, the application of the residents of Redlands, Alta., for a station agent at that point has been granted. The station has been built for the station in a station there. The application was filed at Calgary, November 27th.

NOTICE

For Nominations for Elections

MUNICIPAL DISTRICT OF BOW VALLEY, No. 219.

Municipal Elections 1920

PUBLIC NOTICE is hereby given that a meeting of the Electors of the Municipal District of Bow Valley No. 219 will be held at the Fire Hall, Strathmore, at one o'clock on Friday the Twentieth day of February, 1920 for the discussion of the affairs of the district and the nomination of candidates for the office of councillors and that the names of the candidates will be there and then received from the electors of the district until the hour of four o'clock in the afternoon.

Given at Strathmore, Alberta, this 5th day of February, 1920.

M. EUGENE ST.

Municipal Officer

BY COURTESY OF C.A.R.

Crowfoot Notes

Mr. and Mrs. Frances Slinger and son and Miss Alice England spent last week visiting Edmonton.

Mrs. A. Barnett is spending a few days with Mr. and Mrs. A. W. Miller of Rockyford.

Mr. Norman Schaefer is at present visiting at his former home, Edwardsville, Ill.

Miss Freda Schmidt is reported to have sailed for Calgary.

Mrs. G. McKay our teacher spent Saturday and Sunday in Calgary. Mr. and Mrs. D. E. Galtner expect to leave shortly for California.

Homeless brothers expect to start soon on a new born for Frank Stanger. Mrs. Robert West has been on the sick list for the last few days.

Mr. James Barnett and Leslie West spent Sunday week at Miller and Clemens, Rockyford.

Rev. Hipkin took dinner with Mr. and Mrs. Fred Schuman, Sunday.

The young folks of Crowfoot enjoyed a delightful party on Wednesday evening of last week. All meeting at Barnett's and going from there to Strathmore. All report having had a fine time. Another ride is planned for the near future.

At the regular meeting of the recently organized Christian Endeavor Sunday evening, Mrs. David England was leader and a very interesting evening was spent. Mrs. H. G. Schaefer was leader for the week before.

Mr. A. J. J. Weyers intends to erect new buildings before going on the Western place which he bought recently.

Mr. and Mrs. H. G. Schaefer, Mr. and Mrs. David England and Mr. L. Palmer spent Sunday week with Mr. and Mrs. S. P. Carritt.

Miss Samuela Schaefer spent last Wednesday with Mrs. David England. The social committee are planning to have a social dance this in the near future.

Mr. Eric England and Miss Edith England were Calgary visitors last week. Miss Edith is staying in for a few days the guest of Mrs. H. G. Schaefer.

Local Notings

Mr. B. Davis has been elected a member of the Jewellers Association.

The regular meeting of the Strathmore U.P.A. will be held in the King Edward Temple Rooms on Saturday, February 11th. Subjects of special interest will be discussed, and every member is requested to be present.

Mr. W. R. Hopkins, son of Mr. W. J. Hopkins, received a bar to his Military Medal the other day.

On Tuesday evening members of the Methodist Church and friends gathered in the Church to meet Mr. and Mrs. Schaefer, recently married.

The C.P.D. Demonstration Farm's Interest Fund has been coming to the fore recently as one of the best in the Dominion. In the record of performance prizes, awarded by the British Provincial Association of Canada for the cows with the largest butter record, Zoos Wayne DeKol was 2nd in the two-year-old class with 60 lbs. butter fat and 1257 lbs. of milk, and Zoos Wayne Neelchide was seventh in the same class with 57.22 lbs. butter fat and 1260 lbs. milk. The Farm management are gradually eliminating all but Holsteins from their dairy herd.

Several Strathmore Brothers, including Bro. E. Dolan, Wainfield, Master, and C. J. Brown, attended the annual meeting of the Calgary Country Lodge, I.O.O.F., held at Glenora on February 2nd. Bro. Anderson was elected Treasurer of the Lodge. An interesting meeting was held, and the brethren put themselves on record as being in favor of the reading of Scripture in opening exercises at public schools.

Some of the younger elements are rather restive in attacking themselves to sleighs and other vehicles for the purpose of free transportation. One child was hurt last week on Highway Avenue while another riding on the back of a sleigh on third street on Saturday, fell off and was badly hurt. It is hoped that the children will be more careful and not so easily injured.

Mr. D. P. Edenshaw returned from Calgary last week, where he has been receiving treatment from a physician. He is enthusiastic as to the results. He says it has made a new man of him. However, naturally, only time will tell. He says that he feels the brain and his physical powers are the same as ever, though he thinks more of freedom from the I.O.O.F. than himself.

Applications for positions for the Municipal District of Bow Valley takes place on Friday, February 25th. The meeting will be held in the Town Hall Strathmore.

E. R. Zeile attended the Annual Convention of the Imperial Oil Co. Ltd. held at the Palliser Hotel, Calgary on Friday and Saturday last.

Strathmore Women's Institute will meet at the home of Mrs. J. Volk, Wednesday, February 13th at 3 p.m. sharp. Ball call, current events. As we have some unfinished business to dispose of we urge all members to be present.

Mr. and Mrs. Tom Chamberlain and family have gone on a trip to the coast.

Mr. and Mrs. M. S. Hirth entertained a large party of friends to a "Go" card drive followed by a dance at their new home on third street on Thursday evening. A very enjoyable evening was spent, and the entertainment was kept up till an early hour.

The G.W.V.A. St. Valentine's Dance which was to have been held on Friday evening of this week, has been abandoned, owing to the impossibility of getting an orchestra on that date, and its place will be taken by a White Drive to be held in the King Edward Hotel on the same date.

A visitor here last weekend was Mr. W. A. Galtwater, better known probably as "Slim." He enlisted in the C. E. F. in 1916, and served in France. He was discharged this summer, after spending two months in hospital, and was night clerk in the Empire Hotel at the time of the day across fire there. While in Strathmore in previous days he was manager of the Maple Leaf Hotel.

Mr. J. H. M. Martin is the next postmaster. He was to have taken office last week, but owing to illness, is just taking them over now. At this stage it is only right to pay a tribute to Mr. Robert Hill and his lady who for the courteous way in which they have handled the post office in the past. Mr. Hill has been postmaster since 1911.

C. MERRINGS

PROPRIETOR

The infant daughter of Mr. and Mrs. C. W. Tucker had her foot scalded on Monday.

Hervey Notes, received too late for this issue, will be published in our next.

Hockey

Strathmore Hockey Team journeyed down to Glenora on Saturday evening to play the Glenora aggregation, and after a good game were defeated by a score of 5-2. The locals did very well, considering that they are mostly all new players, and that this is the team's first game. A return match will be played here on Sunday afternoon, and we hope that everyone will turn out and cheer the boys on to victory.

The line-up was as follows:
Goal: J. Smith. Defenses: Geo. Venus, Royer, O. Seabloom. Centre: W. Gray, Right Wing: W. Crawford, Left Wing: Harry Wax.

The game was a clean and fast one throughout.

Canby, Alta. - Considerable harvesting is yet being done in this district and some heavy yields reported. Wheat on a forty-acre, and 40 bushels in a common yield. H. A. Sargent harvested more than 800 bushels of flax seed from 26 acre field which at present prices gives a return of \$100 per acre.

Get Your Money's Worth

Hearing The New Edison for the first time is like opening the blinds to the sunlight.

You expect to hear the familiar "talking machine tone".

Instead—there pours forth the voice or the music of the instrument, in all its natural beauty—pure and full, and indistinguishable from the living artist.

When you choose an Edison RE-CREATION, you receive the actual voice of the artist or his masterly instrumental performance—nothing more, nothing less.

We know that when you select an Edison RE-CREATION, you are getting your full money's worth because we have proof.

Two thousand musical critics have endorsed our claim that:

The NEW EDISON

"The Phonograph with a Soul"

RE-CREATES the human voice and the music of human played instruments without the slightest deviation from the original.

"What the Critics Say," tells the story completely. Ask for a copy; and also for our beautiful new book "Edison and Music" when you come to hear The New Edison.

W. M. Marshall, - Strathmore, Alta.

Rockyford Items

Marriage—At the Presbyterian Manse, Halifax, N. S., January 15th, by Rev. O. Thompson, Mabel Gertrude Sanderson, only daughter of late B. S. Sanderson, of Charlottetown, P.E.I., to George P. Smith, of the Staff of the Victoria General Hospital and formerly of Pymouth, England. Miss Sanderson is a graduate of the Children's Hospital, Halifax, N.S., daughter of Mrs. Helen Sanderson, teacher, now at Strathmore, formerly at Tuleur. Her two brothers, Stenforth and Harold are also in the west.

Miss Ina Hambley, B.A., was suddenly taken sick on Thursday morning, and the services of Dr. Tiffin were obtained. The doctor reports nothing serious.

Mrs. Christine Cyr, mother of Mrs. L. Liotte, of Rockyford, died on Sunday at the age of 82 years and five months, after a very short illness. The late Mrs. Cyr had only been in Rockyford a very short time, arriving here from Missoula, Montana, where Mrs. Liotte has a family vault. The remains of the late Mrs. Cyr were taken to Missoula, accompanied by Mrs. Liotte. We extend our heartfelt condolences to the Liotte family.

Miss Eleonora Stinn, is to be congratulated for donating a valuable phonograph to be raffled for the benefit of securing a 750 lb bell to ornate the Roman Catholic Church, and took the initiative to dispose of the tickets at 25 cents. She has been very successful to date. We hope her efforts will not be in vain and the public will help with their usual generosity.

The Roman Catholic Ladies will hold a box social and dance on Thursday evening, February 12th, for the benefit of their society and all the ladies will attend. The ladies are requested to bring boxes. Remember the date. Bring your friends. Everybody cordially invited.

A number of young people played a surprise party on the newly arrived Heinemann family on Wednesday night. An excellent time was enjoyed by all.

John Brimmon, rather Duck, everybody knows Duck or has heard of him, returned from an extended trip to the United States visiting Minneapolis, St. Paul and Chicago, Buffalo and Brooklyn, his native town, and other interesting points too numerous to mention. He reports conditions down there are out of balance. Irish turned, Wilson, San Scape, Mexican trouble, \$100.00 stils of cloths, \$1.00 breakfasts, Irish shovels all over. Everything is upside down. 22 per cent. discount on Canada money, and \$20.00 spark plugs.

He returned with two samples of his famous JND Spark Plug in his grip. There is as rare as pretty women in Timbado, and the last two average with the balance. We expect an enormous immigration to Canada to take advantage of the interprovincial shipments of firewater and escape the huge taxation. Let's hope they bring something else besides a great thirst. He finds Canada a little paradise with Rockyford in the middle. After all, we are not bad off here with our balm government, worse lands, 8 per cent. money, and \$20.00 wheat.

Many of our friends, at present residing at Calgary, are being unfortunately stricken with sickness, such as measles, smallpox, flu. We are very glad to note that they were all of a mild character.

Mr. and Mrs. W. A. Freeman of Ardmore, are visitors in Calgary for a few days, and were noticed at the Grand on Wednesday evening.

Doctor Tiffin, formerly of Lethbridge, has opened an office for the practice of medicine and many of our people will be glad to know that Dr. Tiffin's intentions are to build up a practice and locate in Rockyford. He can always be found at the Post Office.

Mr. Fred Stinn is leaving shortly for Earling, Iowa for a business trip. Our Manitowish partners are spending the winter months visiting neighbors and prospecting for suitable places to build concrete dams in preparation for the next war.

Mr. Bethune, formerly of Vancouver will shortly arrive in Rockyford to manage the drug department of the Rexall Store. Mr. Bethune is a druggist of 20 years experience and located in Alberta. He will develop his entire time to developing a real and efficient drug store.

Dr. Blackburn, who has been sick for the last fortnight, has been removed to the hospital, and is reported in a serious condition.

The snow is melting and a real chinook blowing, reminding of the early coming of spring.

Fred Gilbert was a visitor to Rockyford last Thursday.

Mrs. M. Mindlin was taken ill on Thursday after returning from Calgary the day previous. We hope and wish Mrs. Mindlin every prompt recovery.

Bert Myers made his usual weekly trip to Calgary on Wednesday alone.

The editor is very sorry that in recording the arrival in our midst of the Heinzel family, he did not make the proper count of the number in the family owing to a sudden palpitation of the heart, and instead of seven children, he should have counted nine, three bringing the grand total including one daughter and two boys in the States, to an even dozen. We hope we have not in any way affected Mr. Heinzel's pride, Canada is a vast country and population is what we need.

Slim Cullen took home last Thursday half a car load of fish. Let's hope he does not become too fishy before spring. We failed to mention that Mrs. Frank will help to dispose of most of it.

Mrs. Tom Liotte and **Loretta Liotte** were visitors to Calgary on Thursday accompanied by Miss Lena and Edith Griffiths.

Mr. Langlois went to town on Thursday on a short visit.

A very large party sleighed to Redlands for the big ball on the 21st, and were complimentary in regard to the new hall and report a real time old time. Unfortunately one of the sleighs upset, dislocating Mrs. E. M. Wilson's arm, and several others sustained light injuries. Miss Edna Carter having a stiffness for several days.

Mrs. Thomas Birt was removed to Calgary to receive medical treatment last Saturday evening.

Miss Ann Duquette, our tiny postmistress, was stricken with a sudden attack of quinsy, and was confined to her bed for several days. Dr. Pielkine attended.

The Rockyford Municipal Council held sessions in Secretary Maguire's office on Monday evening.

W. T. Hamilton, returned from an extended trip to California last week.

The new telephone directory will be received in the course of a few days, and upon arrival will be distributed.

Ford

THE Demand Will Exceed the Output—Place Your Order Now!

The Ford Company advise that, on account of the shortage of raw material, they entertain no hope of supplying the demand for Ford Cars during the coming season.

Our allotment of cars will be small compared with the demand that will exist in this territory. In order to obtain this allotment it will be necessary to show the Ford Company the actual orders.

As Ford Dealers in this district we are anxious to serve the community to the best of our ability. By placing your order now you will assure yourself of getting your car at a later date.

W. C. BROWN, Dealer, Strathmore

The STRATHMORE STANDARD circulates over a large territory. It is the only real advertising medium for the Western Bow Valley. If you want that business, advertise.

Carseland

Ed Hansen had a runaway last week and his team tore up Bill Hill's Red Society Gas Tank on the corner of Railway Avenue and Main St. Outside of this no damage was done.

Mr. and Mrs. Neelie visited with friends in Calgary of Tuesday of this week.

Shedding has got another set back during the warm days of this week. Let 'er go.

Mr. and Mrs. McKay and family were all sick on Thursday last but are around again now.

Church services Sunday as follows:

Dalemead 11:00 a.m.
Carseland 2:00 p.m.
Blind Creek 7:30 p.m.
Everybody welcome.

A Valentine Social is to be held in the Church on Friday the 12th. A programme largely impractical will be on hand. The lunch will be prepared before-hand.

Cherene Jennings who has been in the Holy Cross Hospital, Calgary for some time past is still in a critical condition. He underwent a serious operation and is slow to recover from its effects.

Lido Line bought a team of horses from Jas. Nelson during the week and intends breaking them.

Mr. and Mrs. George Portney went to Calgary on business Friday. They intend moving into their new house soon.

By the way; who had the birthday in town last Saturday?

The C.P.R. have a gang of painters and carpenters working at the section foreman's house and the depot. They are going to fix the property up in general.

An enjoyable dance in aid of the Carseland Baseball Club was held on Friday evening, Feb. 6th. Music was supplied by Hirtle's Orchestra and there was an attendance of 75 and dancing was kept up till an early hour. A very enjoyable time was spent by Mrs. Murray.

Dalemead

The progressive U.F.A. at Dalemead held a meeting on Friday evening last. They had as their speaker Mr. Moore, member elected for Cochrane, Mr. Clingan and Mr. Johnson of Vulcan. All are reputed to be able speakers and lived up to their reputation Friday evening.

Mr. McKinnon went to Langdon Friday afternoon.

Church service is held every Sunday morning in the Community Hall at 11 o'clock. The new hymn books are on hand and have at the old hymns in them besides a great many new ones. Get out on Sunday morning and help sing your old favorite hymns.

Mr. and Mrs. Stewart Left have purchased a house in Dalemead and intend moving into it soon.

Mr. Dixon recently bought out the hardware stock of Mr. Woods and will add hardware and lumber to his ever increasing business.

Mr. and Mrs. Dixon and family will move into the house at present occupied by Mr. Woods in the spring.

Standard is Active

Mr. Nash of the Commercial Dept. of the Alberta Government Telephones was in town Monday and Tuesday making the necessary arrangements for connecting the farmers' rural line with the local central office.

A box social will be held in Long Beach schoolhouse on February 12th. Prizes will be given to the most popular lady and the latest man present. All are welcome.

Thorvald Rasmussen is in Calgary this week attending the International Harvester Co's motor school and also the conference at Overland Park.

Mild weather again.

Another enjoyable dance was held last evening in Nordquist hall, with the Little Italy orchestra of Calgary in attendance.

Who said laundry?

BORN—On Saturday, January 21st at Calgary, to Mr. and Mrs. Sigurd Rasmussen, a daughter.

The regular Standard U.F.A. meeting was held on Saturday, January 21st. Reports on the recent convention in Calgary were received from the delegates, an account of which was contained in these columns last week. The subject of more rural phone lines was up for discussion, and it was practically decided that two more rural one-wire lines be built without waiting for the government to build rural lines. By the installation of an electric call it will be possible to connect these rural phones with the newly installed government central office and system at Standard. Further steps in the matter of the U.F.A. building to be used as hall etc. will be taken when incorporation papers of the Association are sent from Edmonton. The local district has a number of more members. The present membership is close to 100 but it is hoped that during 1929 every agriculturalist in the locality will be carded. It is possible that John Clambeck, of Quatrepoint, may address the next meeting which will be held on Feb. 14th, and at near future meetings other good speakers will be present.

Constable Simons of the A.P.P. and Constable Knowles of the R.N.W.M.P. were in town over the week-end.

Nordquist Bros. are installing a Silent Almo lighting plant in their building for demonstration purposes.

TOOLS FOR SPRING REPAIR WORK

We have a full assortment of wrenches and tools of all kinds just in so that we will be able to meet your requirements for everything in our line in your preparation for spring work.

Strathmore, Alberta, February 11th 1920

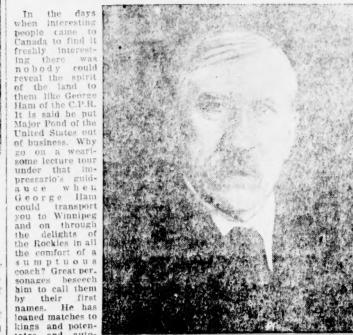

THE SCHOOL ESTIMATES

The Town Council have been a little staggered by the estimates presented to them by the School Board as the cost of running the school for the present year, exclusive of the Government grants. The sum demanded is \$9500, which is considerably in excess of last year.

The increase in school rates is only another aspect of the high cost of living. It is impossible to give education at the same rate as before the war. Teachers are not overpaid, the school is not overstaffed, and the cost of education per pupil is still less than what obtains in other centres of similar size.

A slight temporary saving might be effected by doing away with the higher grades, but this would be false economy of the worst kind. Good education is necessary to make good citizens. That is why the Anglo-Saxon nations are ahead of all others in readjusting their affairs since the world-wide crisis. Widespread education of the right kind is the corrective of anarchy and other ills of the body politic and it should be accessible to every boy and girl. The school is the greatest asset Strathmore has at the present time.

Mark Twain of Canada

MR. GEORGE HAM.

In the days when interesting people came to Canada to find it, it was not only interesting to them, but it was also interesting to the people of the land to whom they came. It is said by the people of the land to whom they came that the people of the land to whom they came were not only interesting to them, but it was also interesting to the people of the land to whom they came. It is said by the people of the land to whom they came that the people of the land to whom they came were not only interesting to them, but it was also interesting to the people of the land to whom they came.

SEED GRAIN

If you wish to buy or sell Seed Grain, an advert. in the Standard will put you in touch with likely prospects all over the Western Bow Valley. Try a Want Ad. in the Standard for Anything you wish to dispose of or want to buy. They bring results.

BOARD OF TRADE

The revival of the Board of Trade is a hopeful sign. Some people look upon it as only an early outbreak of the spring fever of optimism which is unquenchable in this western country.

We have too many pessimists here, and too many of the kind of people who want things to remain just as they are. This cannot be. A town, like an individual or a nation, must either go forward or go back.

The presence of the farmers at the Board of Trade meeting is another hopeful symptom. Co-operation is the watchword of the day. The farmer will get the townsmen's position, and the townsmen the farmer's, and they will be able to assist each other.

Everyone who is interested in the development and betterment of conditions throughout the town and district should join the Board of Trade. It is not so much a case of enabling us to make more money. It is to enable us to get more livable conditions, better roads, better homes, more modern conveniences. Get behind the movement and boost it along.
